MANAGEMENT INFORMATION CIRCULAR

as at September 20, 2018

MANAGEMENT SOLICITATION OF PROXIES

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the management of **DMG Blockchain Solutions Inc.** (the “**Corporation**”) for use at the Annual General & Special Meeting of the shareholders of the Corporation (the “**Meeting**” or “**AGSM**”) to be held on **October 25, 2018**, at the offices of DMG Blockchain Solutions Inc., Suite 490 – 1090 Homer Street, Vancouver, BC V6B 2W9 on Thursday, October 25, 2018 at 11:00 am PST and at any adjournments thereof for the purposes set forth in the enclosed Notice of Annual General & Special Meeting (the “**Notice**”).

The solicitation of proxies will be primarily by mail. Proxies may also be solicited personally by directors, officers and regular employees of the Corporation. The cost of solicitation of proxies will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the “**Proxy**”) are officers of the Corporation. **A registered shareholder has the right to appoint a person (who need not be a shareholder) other than the persons named as the proxy of the shareholder and may exercise this right either by inserting that person’s name in the blank space provided in the Proxy and striking out the other names or by completing another proper form of proxy.** To be effective, Proxies must be deposited at the office of the Corporation’s registrar and transfer agent, Computershare Trust Company of Canada, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment thereof.

Proxies given by registered shareholders for use at the Meeting may be revoked at any time before their use. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by depositing an instrument in writing signed by the registered shareholder, or by the registered shareholder’s attorney duly authorized in writing, at the registered office of the Corporation, Suite 490 – 1090 Homer Street, Vancouver, BC V6B 2W9 on or before the last business day preceding the day of the Meeting, or any adjournment thereof, or with the chair of the Meeting on the day of the Meeting, or any adjournment thereof.

BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders, as many shareholders do not hold their Shares (as defined herein) in their own name. Shareholders holding their Shares through banks, trust companies, securities dealers or brokers, trustees or administrators of RRSPs, RRIFs, RESPs and similar plans or other persons (any one of which is herein referred to as an “Intermediary”) or otherwise not in their own name (such shareholders herein referred to as “Beneficial Shareholders”) should note that only proxies deposited by shareholders appearing on the records maintained by the Corporation’s transfer agent as registered shareholders will be recognized and allowed to vote at the Meeting. If a shareholder’s Shares are listed in an account statement provided to the shareholder by a broker, in all likelihood those Shares are not registered in the shareholder’s name and that shareholder is a Beneficial Shareholder. Such Shares are most likely registered in the name of the shareholder’s broker or an agent of that broker. In Canada the vast majority of such Shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the Meeting at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Shares for the broker’s clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Corporation (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “NOBOs”) or objecting to their Intermediary disclosing ownership information about themselves to the Corporation (such Beneficial Shareholders are designated as objecting beneficial owners, or “OBOs”).

In accordance with the requirements of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer, the Corporation has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a “VIF”), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the “Meeting Materials”) indirectly through Intermediaries to the NOBOs

and OBOs. The management of the Corporation does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. OBOs will not receive the Meeting Materials unless their Intermediaries assume the cost of delivery.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder's Shares on the Beneficial Shareholder's behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote Shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted. If you have any questions respecting the voting of Shares held through an Intermediary, please contact that Intermediary for assistance.

The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Shares which they beneficially own. A Beneficial Shareholder receiving a VIF cannot use that form to vote Shares directly at the Meeting – Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

Voting and Discretion of Proxies

The common shares (the "**Shares**") of the Corporation represented by the Proxies solicited by management of the Corporation pursuant to this Circular will be voted or withheld from voting in accordance with the directions contained therein. **If no directions are given, the Shares will be voted FOR the fixing of the number of directors at five (5), FOR the election of management's nominees as directors of the Corporation, FOR the appointment of management's nominee as auditors of the Corporation and authorizing the directors to fix their remuneration, FOR the approval of the new Articles of the Corporation; FOR the approval of the new 10% rolling stock option plan and FOR the approval by disinterested shareholders of the re-pricing of stock 600,000 stock options to directors and officers to \$0.40. The Proxy confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in the Notice and in respect of other matters that may properly come before the Meeting, or any adjournment thereof.**

As at the date of this Circular, management knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments, variations or other matters are properly brought before the Meeting, the persons named in the Proxies will vote thereon in accordance with their best judgment.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year;
 - (b) each proposed nominee for election as a director of the Corporation; and
- each associate or affiliate of any of the foregoing.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended September 30, 2017, together with the auditor's report on those statements and Management Discussion and Analysis, will be presented to the shareholders at the Meeting.

VOTING SECURITIES, RECORD DATE AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Except as may be otherwise indicated herein and in the Notice, the affirmative vote of a majority of the votes cast at the Meeting is required for approval of each matter set forth in this Circular.

Stock Option Plans and Other Incentive Plans

The Corporation's current Stock Option Plan, dated for reference October 3, 2017 (the "**Current Plan**") is a "rolling" stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Corporation, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. The Current Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Corporation and its subsidiaries or affiliates, options to purchase Shares.

The Current Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Corporation and thereby encourage their continuing association with the Corporation. The Current Plan is administered by the directors of the Corporation. All options expire on a date not later than ten years after the date of grant of such option. As at September 20, 2018 there are options to purchase 8,932,166 Shares outstanding under the Current Plan and all current outstanding options expire within five (5) years of the date of grant.

The Board proposes to implement a new stock option plan, subject to shareholder and regulatory approval, to allow for the purchase of shares issuable in connection with stock options granted under the new 10% rolling stock option plan to equal not more than 10% of the Corporation's issued and outstanding Shares. For additional information pertaining to the new stock option plan, see the section of this Circular entitled "Particulars of Matters to be Acted Upon - Adoption of New Stock Option Plan".

Compensation of Directors

Compensation of directors is recommended by management to the board of directors. As of September 30, 2017, non-executive directors did not receive fees. Long term incentives (stock options) are granted from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Corporation's compensation philosophy for Named Executive Officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Corporation and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Corporation's executive officers, the Corporation takes into consideration a variety of factors including management's understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; each executive officer's individual performance during the fiscal year; each executive officer's experience, skills and level of responsibility; the executive's historical compensation and performance within the Corporation; and existing market standards within the mining industry. Management presents its recommendations to the Board of Directors.

Elements of NEO Compensation

Compensation Mix

In keeping with the Corporation's philosophy to link executive compensation to corporate performance and to motivate executives to achieve exceptional levels of performance, the Corporation has adopted a model that includes both base salary and "at-risk" compensation comprised of participation in the Corporation's Long-Term Incentive Plan (stock options), as described below.

Base Salary

Mr. Geoffrey Balderson, the Corporation's previous President, CEO and Chief Financial Officer, did not receive any compensation.

Mr. Reitzik receives a base salary of \$312,000 and a retention bonus of \$100,000, effective February 15, 2018.

Mr. Bennett receives a base salary of \$312,000 and a retention bonus of \$100,000, effective February 15, 2018.

Mr. Yang receives a base salary of USD\$250,000, effective February 13, 2018.

Mr. Cheung, the Corporation's Chief Financial Officer, is remunerated on the basis of \$5,000 per month for services rendered, effective February 8, 2018.

Directors are also eligible to receive a rate for consulting services when requested by the Corporation to provide services not normally considered to be within the scope of Directors' duties. The Board considers that this is appropriate for the Corporation's current stage of development. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his or her role and to ensure executive retention.

Long Term Incentive Plan (Stock Options)

Long term incentives are performance-based grants of stock options. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options are based on:

- (a) the executive's performance;
- (b) the executive's level of responsibility within the Corporation;
- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

The value of any long-term options allocated is determined using the Black-Scholes model.

Management makes recommendations to the CGC Committee and the Board concerning the Corporation's Long-Term Incentive Plan based on the above criteria. Options are typically granted on an annual basis in connection with the review of executives' compensation packages. Options may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

The Corporation's Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding Shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the director, officer, employee, or consultant in determining the level of incentive stock option compensation.

Benefits and Perquisites

The Corporation's NEOs do not receive any benefits or perquisites. For additional details, see "Description of the Long-Term Incentive Plan" below.

STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, ("**NI 58-101**") of the Canadian Securities Administrators requires each reporting issuer to disclose its corporate governance practices on an annual basis.

Set out below is a description of the Corporation's approach to corporate governance.

Board of Directors

NI 58-101 defines "independence" with reference to the definition of independence contained in National Instrument 52-110-Audit Committees ("**NI 52-110**"). A director is independent if he has no direct or indirect material relationship to the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their nature considered to be material relationships and are specified in Section 1.4 of NI 52-110.

As of September 20, 2018, the Board consisted of four (4) directors: Daniel Reitzik, Sheldon Bennett, Simon Padgett and Justin Rasekh. Of the current Board, Justin Rasekh is independent. The following members are not independent: Daniel Reitzik, Sheldon Bennett and Simon Padgett.

Other Directorships

No directors of the Corporation hold directorships in other reporting issuers as at September 20, 2018.

Orientation and Continuing Education

The Corporation does not provide a formal orientation and education program for new directors; however, any new directors will be given the opportunity to familiarize themselves with the Corporation, the current directors and members of management. Directors are also encouraged and given the opportunity for continuing education.

Ethical Business Conduct

The Board has adopted a formal written Code of Conduct. The Code of Conduct allows the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained.

Nomination of Directors

The Board selects new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and/or CEO. The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

Other Board Committees

The Corporation has an Audit Committee (please refer to the “Audit Committee” section) and a Compensation & Corporate Governance Committee.

Assessments

The Board relies on experts such as financial advisors and external legal counsel and forms special committees on an ad hoc basis as necessary. Based on the Corporation’s size, its stage of development and the limited number of individuals on the Board, the Board considers an external formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director’s credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director’s nomination and in camera sessions are available at every Board meeting.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Corporation’s financial statements and the independence and performance of the Corporation’s external auditor, acting as a liaison between the Board and the Corporation’s external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established. NI 52-110 requires the Corporation, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor.

The Audit Committee’s Charter

The Board has adopted an Audit Committee Charter, which sets out the Audit Committee’s mandate, organization, powers and responsibilities. The full text of the Audit Committee Charter is attached as Schedule “A” to this Circular.

Composition of the Audit Committee

The following are members of the Audit Committee as at September 20, 2018:

An executive officer of the Corporation, such as the CEO, is deemed to have a material relationship with the Corporation.

(2) A member of the Audit Committee is financially literate if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements

Relevant Education and Experience

Each audit committee member has gained financial literacy through their years of experience serving as directors of several mining and mineral exploration companies as financial industry executives and serving on numerous

other audit committees. In these positions, each member would be responsible for receiving financial information relating to their company and obtaining an understanding of the balance sheet, income statement and statement of cash flows and how these statements are integral in assessing the financial position of the Corporation and its operating results. Each member has significant understanding of the mineral exploration business which the Corporation engages in and has an appreciation for the relevant accounting principles for that business.

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on the exemptions in Sections 2.4, 6.1.1(4), 6.1.1(5), or 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 (De Minimis Non-audit Services) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Sections 6.1.1(4) (Circumstance Affecting the Business or Operations of the Venture Issuer), 6.1.1(5) (Events Outside Control of Member) and 6.1.1(6) (Death, Incapacity or Resignation) provide exemptions from the requirement that a majority of the members of the Corporation's Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation. Part 8 (Exemptions) permits a company to apply to a securities regulatory authority or regulator for an exemption from the requirements of NI 52-110 in whole or in part.

Pre-Approval Policies and Procedures

The Committee has adopted specific policies and procedures for the engagement of non-audit services as described under the heading "External Auditors Service Fees (By Category)".

External Auditor Service Fees (By Category)

The table below sets out all fees billed by the Corporation's external auditor in each of the last two fiscal years. In the table "Audit Fees" are fees billed by the Corporation's external auditor for services provided in auditing the Corporation's financial statements for the fiscal year. "Audit-Related Fees" are fees not included in Audit Fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements. "Tax Fees" are fees billed by the Corporation's external auditors for professional services rendered for tax compliance, tax advice and tax planning. "All Other Fees" are fees billed by the external auditor for products and services not included in the foregoing categories:

Financial Year Ended¹	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees

¹The year end for Aim Explorations Ltd. (the predecessor company) was March 31st; upon the completion of the Qualifying Transaction, the year end was changed to September 30th. An audit will be completed for the Company as of September 30, 2018.

INDEBTEDNESS OF DIRECTORS AND SENIOR OFFICERS

As at September 30, 2017 there was no indebtedness outstanding with any current or former Director, executive officer or employee of the Corporation or its subsidiaries which is owing to the Corporation or its subsidiaries, or which is owing to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or its subsidiaries, entered into in connection with a purchase of securities or otherwise.

No individual who is, or at any time during the most recently completed financial year was, a Director or executive officer of the Corporation, no proposed nominee for election as a Director of the Corporation and no associate of such persons:

- (i) is or at any time since the beginning of the most recently completed financial year has been, indebted to the Corporation or its subsidiaries; or

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

APPROVAL OF NEW ARTICLES

At the Meeting, shareholders will be asked to consider and, if thought appropriate, to pass an ordinary resolution authorizing the Corporation to adopt new Articles. The Corporation's Board of Directors believes that the existing Articles of the Corporation do not allow for maximum efficiency in the Company's operations and do not reflect the current provisions of the Business Corporations Act (British Columbia). For example, the existing Articles of the Corporation do not require advance notice at annual meetings. The proposed new form of Articles (the "New Articles") will be substantially similar to the Corporation's existing Articles, but will permit the Corporation to require anyone wishing to propose directors, to provide advance notice of nominations.

A copy of the proposed New Articles will be available for inspection at the Meeting and at the Corporation's registered and record's office, located at #490 – 1090 Homer Street, Vancouver, BC V6B 2W9 during regular business hours up to the day before the Meeting.

Accordingly, the Shareholders of the Company will be asked at the Meeting to pass an ordinary resolution, the text of which will be in substantially the form as follows:

"RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The existing Articles of the Corporation be cancelled and the new form of Articles be adopted as the Articles of the Corporation in substitution for, and to the exclusion of the existing Articles;
2. Any one director or officer of the Company, signing alone, be authorized to execute and deliver all such documents and instruments, including the new form of Articles, and to do such further acts, as may be necessary to give full effect to these resolutions or as may be required to carry out the full intent and meaning thereof."

APPROVAL OF NEW STOCK OPTION PLAN

The Board proposes to implement a new 10% rolling plan (the "**New Plan**") to replace the Current Plan, subject to shareholder and regulatory approval. The New Plan is consistent with the requirements of the TSX Venture Exchange (the "**Exchange**") and provides as follows:

- (a) the maximum aggregate number of Shares that can be issued pursuant to the exercise of options granted under the Current Plan, the New Plan or otherwise, is 10% of the Corporation's current issued and outstanding share capital (on a non-diluted basis);
- (b) stock options granted under the New Plan will have an expiry date not to exceed ten years from the date of grant;

- (c) any stock options granted that expire or terminate for any reason without having been exercised will again be available under the New Plan;
- (d) stock options will vest as required by the Exchange and as may be determined by the administrator of the New Plan, or in the absence of such body, the Board;
- (e) the minimum exercise price of any stock options issued under the New Plan will be determined by the Board at the time of grant, subject to the requirements of the Exchange;
- (f) stock options granted will expire 60 days after an optionee ceases to be involved with the Corporation, or for any options granted to an individual providing investor relations services, 30 days after the optionee ceases to be involved with the Corporation;
- (i) the Corporation cannot grant options to any one consultant in any 12-month period which could, when exercised, result in the issuance of shares exceeding 2% of the issued and outstanding Shares of the Corporation;
- (j) the Corporation cannot grant options in any 12-month period to persons employed or engaged by the Corporation to perform investor relations activities which could, when exercised, result in the issuance of Shares exceeding, in aggregate, 2% of the issued and outstanding shares of the Corporation and options issued to consultants performing investor relations activities must vest in stages over 12 months with no more than 1/4 of the options vested in any three-month period;
- (k) in connection with the exercise of an option, as a condition to such exercise the Corporation may require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such Option; and
- (l) if a change of control, as described in the New Plan, occurs, all unvested options shall immediately become vested and may thereon be exercised in whole or in part by the option holder, subject to any required approval by the Exchange.

The above summary is subject to the full text of the New Plan which will be available for review at the Meeting. The New Plan, and any material amendments thereto, must be approved by a majority of the votes cast by shareholders. The New Plan is subject to approval by the Exchange. If the New Plan is approved by shareholders, a total of 8,932,166 Shares will be reserved for issuance pursuant to the exercise of options to be granted pursuant to the New Plan.

All options to acquire Shares of the Corporation previously issued by the Corporation to directors, officers, employees and consultants of the Corporation and currently outstanding shall be deemed to have been granted and issued under the New Plan and otherwise be governed by the terms and conditions of the New Plan, subject to the specific terms and conditions as to exercise price, vesting periods, if any, and expiry dates as are currently applicable to such options.

At the Meeting, shareholders will be asked to pass the following resolution:

“IT IS RESOLVED, as an ordinary resolution that the new 10% rolling stock option plan is hereby approved and confirmed and the directors and officers of the Corporation be authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of this resolution and, notwithstanding the foregoing, the directors of the Corporation are hereby authorized, without further approval of or notice to the shareholders of the Corporation, to revoke this ordinary resolution at any time prior to giving effect to the new 10% rolling stock option plan.”

Recommendation of the Directors

The Board of Directors of the Corporation has reviewed the proposed resolution and concluded that it is fair and reasonable to the Shareholders and in the best interests of the Corporation.

The Board of Directors of the Corporation recommends that Shareholders vote in favour of the resolution to approve the new Stock Option Plan of the Corporation.

Shareholder approval of the New Option Plan is required by the terms of the New Option Plan and the rules of the Exchange.

APPROVAL OF RE-PRICING OF EXISTING STOCK OPTIONS

Subject to TSX Venture Exchange approval, and the approval of disinterested shareholders, the Corporation proposes the following options issued to directors and officers be re-priced:

At the Meeting, the shareholders will be asked to ratify and approve a directors' resolution to reprice an aggregate of 425,000 stock options (the "Options") exercisable for an aggregate of 425,000 Shares previously granted to Insiders (as that term is defined under the policies of the TSX-V) of the Company on February 8, 2018 and on May 30, 2018 from an exercise price of \$0.80 per Share to an exercise price of \$0.40 per Share. The expiry dates of the Options, being March 8, 2021 and June 30, 2021, respectively, will remain unchanged. The repricing of the Options is subject to approval by the TSX-V. The Options were previously granted to the following Insiders as set out below:

Name of Optionee	Date of Grant	Expiry Date	No. of Optioned Shares
Ryan Cheung	February 8, 2018	March 8, 2021	50,000
Simon Padgett	February 8, 2018	March 8, 2021	50,000
Daniel Reitzik	February 8, 2018	March 8, 2021	250,000
Danny Yang	February 8, 2018	March 8, 2021	250,000
			600,000

Shareholder Approval Requirements

Pursuant to the policies of the TSX-V, the ordinary resolution approving the repricing of the Options granted to Insiders must be passed by a majority of the votes cast by disinterested shareholders present in person or by proxy at the Meeting. Disinterested shareholder approval is the approval by a majority of the votes cast on the resolution by all shareholders at the Meeting excluding the votes attached to shares beneficially owned by Insiders and their Associates (as that term is defined under the policies of the TSX-V).

Accordingly, at the Meeting, the Corporation's disinterested shareholders will be asked to consider, and if thought appropriate, to pass, with or without amendment, an ordinary resolution as follows (the "Re-pricing Resolution").

"BE IT IS RESOLVED, as an ordinary resolution, with votes of certain Insiders excluded therefrom, that:

1. The Corporation is hereby authorized to re-price an aggregate of 600,000 stock options exercisable for 600,000 Shares previously granted to Insiders, at a price of \$0.80 per Share, exercisable from February 8, 2018 to March 8, 2021 to a price of \$0.40 per Share;
2. The Board be and is authorized in its absolute discretion to determine whether or not to proceed with the above resolution without further ratification or approval by the shareholders; and
3. Any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to this resolution."

Directors' Approval and Recommendation

On September 20, 2018 the directors approved the reduction in the exercise price in order to bring the price in line with then current market pricing. The Board unanimously recommends that Shareholders vote in favour of the Re-pricing Resolution. In the absence of contrary directions, the Management designees of the Corporation intend to vote proxies in favour of the Re-pricing Resolution.

Normal Course Issuer Bid

On July 16, 2018 the Board of Directors approved an agreement with Raymond James Ltd. wherein a Normal Course Issuer Bid ("NCIB") would be undertaken. A news release was issued on July 18, 2018 and the NCIB was subsequently approved by the TSX Venture Exchange.

Management believes that volatility in commodity prices and the resulting impact on its common shares provide opportunities to the Corporation to purchase common shares at attractive prices and that the purchases are an appropriate use of funds that will enhance value of the common shares held by remaining shareholders.

Under the terms of the NCIB, effective July 25, 2018 and for a period of 12 months (until July 24, 2019), up to 5% (4,662,474 common shares) of the Corporation's issued and outstanding shares may be re-purchased by the Corporation.

If no record date is set, the record date is 5 p.m. on the day immediately preceding the first date on which the notice is sent or, if no notice is sent, the beginning of the meeting.

10.9 Failure to Give Notice and Waiver of Notice

The accidental omission to send notice of any meeting of shareholders to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting. Any person entitled to notice of a meeting of shareholders may, in writing or otherwise, waive that entitlement or may agree to reduce the period of that notice. Attendance of a person at a meeting of shareholders is a waiver of entitlement to notice of the meeting unless that person attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

10.10 Notice of Special Business at Meetings of Shareholders

If a meeting of shareholders is to consider special business within the meaning of Article 11.1, the notice of meeting or a circular prepared in connection with the meeting must:

- (1) state the general nature of the special business; and
- (2) if the special business includes considering, approving, ratifying, adopting or authorizing any document or the signing of or giving of effect to any document, have attached to it a copy of the document or state that a copy of the document will be available for inspection by shareholders:
 - (a) at the Company's records office, or at such other reasonably accessible location in British Columbia as is specified in the notice; and
 - (b) during statutory business hours on any one or more specified days before the day set for the holding of the meeting.

11. PROCEEDINGS AT MEETINGS OF SHAREHOLDERS

11.1 Special Business

At a meeting of shareholders, the following business is special business:

- (1) at a meeting of shareholders that is not an annual general meeting, all business is special business except business relating to the conduct of or voting at the meeting;
- (2) at an annual general meeting, all business is special business except for the following:
 - (a) business relating to the conduct of or voting at the meeting;

- (b) consideration of any financial statements of the Company presented to the meeting;
- (c) consideration of any reports of the directors or auditor;
- (d) the setting or changing of the number of directors;
- (e) the election or appointment of directors;
- (f) the appointment of an auditor;
- (g) the setting of the remuneration of an auditor;
- (h) business arising out of a report of the directors not requiring the passing of a special resolution or an exceptional resolution; and
- (i) any other business which, under these Articles or the *Business Corporations Act*, may be transacted at a meeting of shareholders without prior notice of the business being given to the shareholders.

11.2 Special Majority

The majority of votes required for the Company to pass a special resolution at a general meeting of shareholders is two-thirds of the votes cast on the resolution.

11.3 Quorum

Subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at a meeting of shareholders is one person present or represented by proxy.

11.4 Persons Entitled to Attend Meeting

In addition to those persons who are entitled to vote at a meeting of shareholders, the only other persons entitled to be present at the meeting are the directors, the president (if any), the secretary (if any), the assistant secretary (if any), any lawyer for the Company, the auditor of the Company, any persons invited to be present at the meeting by the directors or by the chair of the meeting and any persons entitled or required under the *Business Corporations Act* or these Articles to be present at the meeting; but if any of those persons does attend the meeting, that person is not to be counted in the quorum and is not entitled to vote at the meeting unless that person is a shareholder or proxyholder entitled to vote at the meeting.

11.5 Requirement of Quorum

No business, other than the election of a chair of the meeting and the adjournment of the meeting, may be transacted at any meeting of shareholders unless a quorum of shareholders entitled to vote is present at the commencement of the meeting, but such quorum need not be present throughout the meeting.

11.6 Lack of Quorum

If, within one-half hour from the time set for the holding of a meeting of shareholders, a quorum is not present:

- (1) in the case of a general meeting requisitioned by shareholders, the meeting is dissolved, and
- (2) in the case of any other meeting of shareholders, the meeting stands adjourned to the same day in the next week at the same time and place.

11.7 Lack of Quorum at Succeeding Meeting

If, at the meeting to which the meeting referred to in Article 11.6(2) was adjourned, a quorum is not present within one-half hour from the time set for the holding of the meeting, the meeting shall be terminated.

11.8 Chair

The following individual is entitled to preside as chair at a meeting of shareholders:

- (1) the chair of the board, if any; or
- (2) if the chair of the board is absent or unwilling to act as chair of the meeting, the president, if any.

11.9 Selection of Alternate Chair

If, at any meeting of shareholders, there is no chair of the board or president willing to act as chair of the meeting or present within 15 minutes after the time set for holding the meeting, or if the chair of the board and the president have advised the secretary, if any, or any director present at the meeting, that they will not be present at the meeting, the directors present must choose a director, officer or corporate counsel to be chair of the meeting or if none of the above persons are present or if they decline to take the chair, the shareholders entitled to vote at the meeting who are present in person or by proxy may choose any person present at the meeting to chair the meeting.

11.10 Adjournments

The chair of a meeting of shareholders may, and if so directed by the meeting must, adjourn the meeting from time to time and from place to place, but no business may be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

11.11 Notice of Adjourned Meeting

It is not necessary to give any notice of an adjourned meeting of shareholders or of the business to be transacted at an adjourned meeting of shareholders except that, when a meeting is adjourned for 30 days or more, notice of the adjourned meeting must be given as in the case of the original meeting.

11.12 Decisions by Show of Hands or Poll

Subject to the *Business Corporations Act*, every motion put to a vote at a meeting of shareholders will be decided on a show of hands unless a poll, before or on the declaration of the result of the vote by show of hands, is directed by the chair or demanded by any shareholder entitled to vote who is present in person or by proxy.

11.13 Declaration of Result

The chair of a meeting of shareholders must declare to the meeting the decision on every question in accordance with the result of the show of hands or the poll, as the case may be, and that decision must be entered in the minutes of the meeting. A declaration of the chair that a resolution is carried by the necessary majority or is defeated is, unless a poll is directed by the chair or demanded under Article 11.12, conclusive evidence without proof of the number or proportion of the votes recorded in favour of or against the resolution.

11.14 Motion Need Not be Seconded

No motion proposed at a meeting of shareholders need be seconded unless the chair of the meeting rules otherwise, and the chair of any meeting of shareholders is entitled to propose or second a motion.

11.15 Casting Vote

In case of an equality of votes, the chair of a meeting of shareholders, either on a show of hands or on a poll, does not have a second or casting vote in addition to the vote or votes to which the chair may be entitled as a shareholder.

11.16 Manner of Taking Poll

Subject to Article 11.17, if a poll is duly demanded at a meeting of shareholders:

- (1) the poll must be taken:
 - (a) at the meeting, or within seven days after the date of the meeting, as the chair of the meeting directs; and
 - (b) in the manner, at the time and at the place that the chair of the meeting directs;
- (2) the result of the poll is deemed to be the decision of the meeting at which the poll is demanded; and
- (3) the demand for the poll may be withdrawn by the person who demanded it.

11.17 Demand for Poll on Adjournment

A poll demanded at a meeting of shareholders on a question of adjournment must be taken immediately at the meeting.

11.18 Chair Must Resolve Dispute

In the case of any dispute as to the admission or rejection of a vote given on a poll, the chair of the meeting must determine the dispute, and his or her determination made in good faith is final and conclusive.

11.19 Casting of Votes

On a poll, a shareholder entitled to more than one vote need not cast all the votes in the same way.

11.20 No Demand for Poll on Election of Chair

No poll may be demanded in respect of the vote by which a chair of a meeting of shareholders is elected.

11.21 Demand for Poll Not to Prevent Continuance of Meeting

The demand for a poll at a meeting of shareholders does not, unless the chair of the meeting so rules, prevent the continuation of a meeting for the transaction of any business other than the question on which a poll has been demanded.

11.22 Retention of Ballots and Proxies

The Company must, for at least three months after a meeting of shareholders, keep each ballot cast on a poll and each proxy voted at the meeting, and, during that period, make them available for inspection during normal business hours by any shareholder or proxy holder entitled to vote at the meeting. At the end of such three month period, the Company may destroy such ballots and proxies.

12. VOTES OF SHAREHOLDERS

12.1 Number of Votes by Shareholder or by Shares

Subject to any special rights or restrictions attached to any shares and to the restrictions imposed on joint shareholders under Article 12.3:

- (1) on a vote by show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote; and
- (2) on a poll, every shareholder entitled to vote on the matter has one vote in respect of each share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy.

12.2 Votes of Persons in Representative Capacity

A person who is not a shareholder may vote at a meeting of shareholders, whether on a show of hands or on a poll, and may appoint a proxy holder to act at the meeting, if, before doing so, the person satisfies the chair of the meeting, or the directors, that the person is a legal personal representative or a trustee in bankruptcy for a shareholder who is entitled to vote at the meeting.

12.3 Votes by Joint Holders

If there are joint shareholders registered in respect of any share:

- (1) any one of the joint shareholders may vote at any meeting of shareholders, either personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or
- (2) if more than one of the joint shareholders is present at any meeting of shareholders, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will be counted.

12.4 Legal Personal Representatives as Joint Shareholders

Two or more legal personal representatives of a shareholder in whose sole name any share is registered are, for the purposes of Article 12.3, deemed to be joint shareholders registered in respect of that share.

12.5 Representative of a Corporate Shareholder

If a corporation, that is not a subsidiary of the Company, is a shareholder, that corporation may appoint a person to act as its representative at any meeting of shareholders of the Company, and:

- (1) for that purpose, the instrument appointing a representative must be received:
 - (a) at the registered office of the Company or at any other place specified, in the notice calling the meeting, for the receipt of proxies, at least the number of business days specified in the notice for the receipt of proxies, or if no number of days is specified, two business days before the day set for the holding of the meeting or any adjourned meeting; or
 - (b) by the chair of the meeting at the meeting or adjourned meeting or by a person designated by the chair of the meeting or adjourned meeting;
- (2) if a representative is appointed under this Article 12.5:
 - (a) the representative is entitled to exercise in respect of and at that meeting the same rights on behalf of the corporation that the representative represents as that corporation could exercise if it were a shareholder who is an individual, including, without limitation, the right to appoint a proxy holder; and
 - (b) the representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

Evidence of the appointment of any such representative may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages. Notwithstanding the foregoing, a corporation that is a shareholder may appoint a proxy holder.

12.6 Proxy Provisions Do Not Apply to All Companies

Articles 12.7 to 12.15 do not apply to the Company if and for so long as it is a public company or a pre-existing reporting company which has the Statutory Reporting Company Provisions as part of its Articles or to which the Statutory Reporting Company Provisions apply.

12.7 Appointment of Proxy Holders

Every shareholder of the Company, including a corporation that is a shareholder but not a subsidiary of the Company, entitled to vote at a meeting of shareholders may, by proxy, appoint up to two proxy holders to attend and act at the meeting in the manner, to the extent and with the powers conferred by the proxy.

12.8 Alternate Proxy Holders

A shareholder may appoint one or more alternate proxy holders to act in the place of an absent proxy holder.

12.9 When Proxy Holder Need Not Be Shareholder

A person must not be appointed as a proxy holder unless the person is a shareholder, although a person who is not a shareholder may be appointed as a proxy holder if:

- (1) the person appointing the proxy holder is a corporation or a representative of a corporation appointed under Article 12.5;
- (2) the Company has at the time of the meeting for which the proxy holder is to be appointed only one shareholder entitled to vote at the meeting; or
- (3) the shareholders present in person or by proxy at and entitled to vote at the meeting for which the proxy holder is to be appointed, by a resolution on which the proxy holder is not entitled to vote but in respect of which the proxy holder is to be counted in the quorum, permit the proxy holder to attend and vote at the meeting.

12.10 Deposit of Proxy

A proxy for a meeting of shareholders must:

- (1) be received at the registered office of the Company or at any other place specified, in the notice calling the meeting, for the receipt of proxies, at least the number of business days specified in the notice, or if no number of days is specified, two business days before the day set for the holding of the meeting or any adjourned meeting; or
- (2) unless the notice provides otherwise, be received, at the meeting or any adjourned meeting, by the chair of the meeting or any adjourned meeting or by a person designated by the chair of the meeting or adjourned meeting.

A proxy may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

12.11 Validity of Proxy Vote

A vote given in accordance with the terms of a proxy is valid notwithstanding the death or incapacity of the shareholder giving the proxy and despite the revocation of the proxy or the revocation of the authority under which the proxy is given, unless notice in writing of that death, incapacity or revocation is received:

- (1) at the registered office of the Company, at any time up to and including the last business day before the day set for the holding of the meeting or any adjourned meeting at which the proxy is to be used; or
- (2) at the meeting or any adjourned meeting by the chair of the meeting or adjourned meeting, before any vote in respect of which the proxy has been given or has been taken.

12.12 Form of Proxy

A proxy, whether for a specified meeting or otherwise, must be either in the following form or in any other form approved by the directors or the chair of the meeting:

[name of company]
(the "Company")

The undersigned, being a shareholder of the Company, hereby appoints [name] or, failing that person, [name], as proxy holder for the undersigned to attend, act and vote for and on behalf of the undersigned at the meeting of shareholders of the Company to be held on [month, day, year] and at any adjournment of that meeting.

Number of shares in respect of which this proxy is given (if no number is specified, then this proxy is given in respect of all shares registered in the name of the undersigned):

Signed [month, day, year]

[Signature of shareholder]

[Name of shareholder—printed]

12.13 Revocation of Proxy

Subject to Article 12.14, every proxy may be revoked by an instrument in writing that is received:

- (1) at the registered office of the Company at any time up to and including the last business day before the day set for the holding of the meeting or any adjourned meeting at which the proxy is to be used; or
- (2) at the meeting or any adjourned meeting, by the chair of the meeting or adjourned meeting, before any vote in respect of which the proxy has been given has been taken.

12.14 Revocation of Proxy Must Be Signed

An instrument referred to in Article 12.13 must be signed as follows:

- (1) if the shareholder for whom the proxy holder is appointed is an individual, the instrument must be signed by the shareholder or his or her legal personal representative or trustee in bankruptcy;

- (2) if the shareholder for whom the proxy holder is appointed is a corporation, the instrument must be signed by the corporation or by a representative appointed for the corporation under Article 12.5.

12.15 Production of Evidence of Authority to Vote

The chair of any meeting of shareholders may, but need not, inquire into the authority of any person to vote at the meeting and may, but need not, demand from that person production of evidence as to the existence of the authority to vote.

13. DIRECTORS

13.1 First Directors; Number of Directors

The first directors are the persons designated as directors of the Company in the Notice of Articles that applies to the Company when it is recognized under the *Business Corporations Act*. The number of directors, excluding additional directors appointed under Article 15.8, is set at:

- (1) subject to paragraphs (2) and (3), the number of directors that is equal to the number of the Company's first directors;
- (2) if the Company is a public company, the greater of three and the most recently set of:
 - (a) the number of directors elected by ordinary resolution (whether or not previous notice of the resolution was given); and
 - (b) the number of directors set under Article 15.4;
- (3) if the Company is not a public company, the most recently set of:
 - (a) the number of directors elected by ordinary resolution (whether or not previous notice of the resolution was given); and
 - (b) the number of directors set under Article 15.4.

13.2 Change in Number of Directors

If the number of directors is set under Articles 13.1(2)(a) or 13.1(3)(a):

- (1) the shareholders may elect or appoint the directors needed to fill any vacancies in the board of directors up to that number;
- (2) if the shareholders do not elect or appoint the directors needed to fill any vacancies in the board of directors up to that number contemporaneously with the setting of that number, then the directors, subject to Article 15.8, may appoint, or the shareholders may elect or appoint, directors to fill those vacancies.

13.3 Directors' Acts Valid Despite Vacancy

An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

13.4 Qualifications of Directors

A director is not required to hold a share in the capital of the Company as qualification for his or her office but must be qualified as required by the *Business Corporations Act* to become, act or continue to act as a director.

13.5 Remuneration of Directors

The directors are entitled to the remuneration for acting as directors, if any, as the directors may from time to time determine. If the directors so decide, the remuneration of the directors, if any, will be determined by the shareholders. That remuneration may be in addition to any salary or other remuneration paid to any officer or employee of the Company as such, who is also a director.

13.6 Reimbursement of Expenses of Directors

The Company must reimburse each director for the reasonable expenses that he or she may incur in and about the business of the Company.

13.7 Special Remuneration for Directors

If any director performs any professional or other services for the Company that in the opinion of the directors are outside the ordinary duties of a director, or if any director is otherwise specially occupied in or about the Company's business, he or she may be paid remuneration fixed by the directors, or, at the option of that director, fixed by ordinary resolution, and such remuneration may be either in addition to, or in substitution for, any other remuneration that he or she may be entitled to receive.

13.8 Gratuity, Pension or Allowance on Retirement of Director

Unless otherwise determined by ordinary resolution, the directors on behalf of the Company may pay a gratuity or pension or allowance on retirement to any director or to his or her spouse or dependants and may make contributions to any fund and pay premiums for the purchase or provision of any such gratuity, pension or allowance.

15. ELECTION AND REMOVAL OF DIRECTORS

15.1 Election at Annual General Meeting

At every annual general meeting and in every unanimous resolution contemplated by Article 10.2:

- (1) the shareholders entitled to vote at the annual general meeting for the election of directors must elect, or in the unanimous resolution appoint, a board of directors consisting of the number of directors for the time being set under these Articles; and
- (2) those directors whose term of office expires at the annual general meeting cease to hold office immediately before the election or appointment of directors under paragraph (1), but are eligible for re-election or re-appointment.

15.2 Consent to be a Director

No election, appointment or designation of an individual as a director is valid unless:

- (1) that individual consents to be a director in the manner provided for in the *Business Corporations Act*;
- (2) that individual is elected or appointed at a meeting at which the individual is present and the individual does not refuse, at the meeting, to be a director; or
- (3) with respect to first directors, the designation is otherwise valid under the *Business Corporations Act*.

15.3 Failure to Elect or Appoint Directors

If:

- (1) the Company fails to hold an annual general meeting, and all the shareholders who are entitled to vote at an annual general meeting fail to pass the unanimous resolution contemplated by Article 10.2, on or before the date by which the annual general meeting is required to be held under the *Business Corporations Act*; or
- (2) the shareholders fail, at the annual general meeting or in the unanimous resolution contemplated by Article 10.2, to elect or appoint any directors;

then each director then in office continues to hold office until the earlier of:

- (3) when his or her successor is elected or appointed; and
- (4) when he or she otherwise ceases to hold office under the *Business Corporations Act* or these Articles.

15.4 Places of Retiring Directors Not Filled

If, at any meeting of shareholders at which there should be an election of directors, the places of any of the retiring directors are not filled by that election, those retiring directors who are not re-elected and who are asked by the newly elected directors to continue in office will, if willing to do so, continue in office to complete the number of directors for the time being set pursuant to these Articles until further new directors are elected at a meeting of shareholders convened for that purpose. If any such election or continuance of directors does not result in the election or continuance of the number of directors for the time being set pursuant to these Articles, the number of directors of the Company is deemed to be set at the number of directors actually elected or continued in office.

15.5 Directors May Fill Casual Vacancies

Any casual vacancy occurring in the board of directors may be filled by the directors.

15.6 Remaining Directors' Power to Act

The directors may act notwithstanding any vacancy in the board of directors, but if the Company has fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the directors may only act for the purpose of appointing directors up to that number or of calling a meeting of

shareholders for the purpose of filling any vacancies on the board of directors or, subject to the *Business Corporations Act*, for any other purpose.

15.7 Shareholders May Fill Vacancies

If the Company has no directors or fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the shareholders may elect or appoint directors to fill any vacancies on the board of directors.

15.8 Additional Directors

Notwithstanding Articles 13.1 and 13.2, between annual general meetings or unanimous resolutions contemplated by Article 10.2, the directors may appoint one or more additional directors, but the number of additional directors appointed under this Article 15.8 must not at any time exceed:

Any director (an "appointor") may by notice in writing received by the Company appoint any person (an "appointee") who is qualified to act as a director to be his or her alternate to act in his or her place at meetings of the directors or committees of the directors at which the appointor is not present unless (in the case of an appointee who is not a director) the directors have reasonably disapproved the appointment of such person as an alternate director and have given notice to that effect to his or her appointor within a reasonable time after the notice of appointment is received by the Company.

16.2 Notice of Meetings

Every alternate director so appointed is entitled to notice of meetings of the directors and of committees of the directors of which his or her appointor is a member and to attend and vote as a director at any such meetings at which his or her appointor is not present.

- (5) his or her appointor revokes the appointment of the alternate director.

16.8 Remuneration and Expenses of Alternate Director

The Company may reimburse an alternate director for the reasonable expenses that would be properly reimbursed if he or she were a director, and the alternate director is entitled to receive from the Company such proportion, if any, of the remuneration otherwise payable to the appointor as the appointor may from time to time direct.

17. POWERS AND DUTIES OF DIRECTORS

17.1 Powers of Management

The directors must, subject to the *Business Corporations Act* and these Articles, manage or supervise the management of the business and affairs of the Company and have the authority to exercise all such powers of the Company as are not, by the *Business Corporations Act* or by these Articles, required to be exercised by the shareholders of the Company.

17.2 Appointment of Attorney of Company

The directors may from time to time, by power of attorney or other instrument, under seal if so required by law, appoint any person to be the attorney of the Company for such purposes, and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the directors under these Articles and excepting the power to fill vacancies in the board of directors, to remove a director, to change the membership of, or fill vacancies in, any committee of the directors, to appoint or remove officers appointed by the directors and to declare dividends) and for such period, and with such remuneration and subject to such conditions as the directors may think fit. Any such power of attorney may contain such provisions for the protection or convenience of persons dealing with such attorney as the directors think fit. Any such attorney may be authorized by the directors to sub-delegate all or any of the powers, authorities and discretions for the time being vested in him or her.

18. INTERESTS OF DIRECTORS AND OFFICERS

18.1 Obligation to Account for Profits

A director or senior officer who holds a disclosable interest (as that term is used in the *Business Corporations Act*) in a contract or transaction into which the Company has entered or proposes to enter is liable to account to the Company for any profit that accrues to the director or senior officer under or as a result of the contract or transaction only if and to the extent provided in the *Business Corporations Act*.

18.2 Restrictions on Voting by Reason of Interest

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter is not entitled to vote on any directors' resolution to approve that contract or transaction, unless all the directors have a disclosable interest in that contract or transaction, in which case any or all of those directors may vote on such resolution.

18.3 Interested Director Counted in Quorum

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter and who is present at the meeting of directors at which the contract or transaction is considered for approval may be counted in the quorum at the meeting whether or not the director votes on any or all of the resolutions considered at the meeting.

18.4 Disclosure of Conflict of Interest or Property

A director or senior officer who holds any office or possesses any property, right or interest that could result, directly or indirectly, in the creation of a duty or interest that materially conflicts with that individual's duty or interest as a director or senior officer, must disclose the nature and extent of the conflict as required by the *Business Corporations Act*.

18.5 Director Holding Other Office in the Company

A director may hold any office or place of profit with the Company, other than the office of auditor of the Company, in addition to his or her office of director for the period and on the terms (as to remuneration or otherwise) that the directors may determine.

18.6 No Disqualification

No director or intended director is disqualified by his or her office from contracting with the Company either with regard to the holding of any office or place of profit the director holds with the Company or as vendor, purchaser or otherwise, and no contract or transaction entered into by or on behalf of the Company in which a director is in any way interested is liable to be voided for that reason.

18.7 Professional Services by Director or Officer

Subject to the *Business Corporations Act*, a director or officer, or any person in which a director or officer has an interest, may act in a professional capacity for the Company, except as auditor of the Company, and the director or officer or such person is entitled to remuneration for professional services as if that director or officer were not a director or officer.

18.8 Director or Officer in Other Corporations

A director or officer may be or become a director, officer or employee of, or otherwise interested in, any person in which the Company may be interested as a shareholder or otherwise, and, subject to the *Business Corporations Act*, the director or officer is not accountable to the Company for any remuneration or other benefits received by him or her as director, officer or employee of, or from his or her interest in, such other person.

19. PROCEEDINGS OF DIRECTORS

19.1 Meetings of Directors

The directors may meet together for the conduct of business, adjourn and otherwise regulate their meetings as they think fit, and meetings of the directors held at regular intervals may be held at the place, at the time and on the notice, if any, as the directors may from time to time determine.

19.2 Voting at Meetings

Questions arising at any meeting of directors are to be decided by a majority of votes and, in the case of an equality of votes, the chair of the meeting does not have a second or casting vote.

19.3 Chair of Meetings

The following individual is entitled to preside as chair at a meeting of directors:

- (1) the chair of the board, if any;
- (2) in the absence of the chair of the board or if designated by the chair, the president, a director or other officer; or
- (3) any other director or officer chosen by the directors if:

19.4 Meetings by Telephone or Other Communications Medium

A director may participate in a meeting of the directors or of any committee of the directors:

- (1) in person;
- (2) by telephone; or
- (3) with the consent of all directors who wish to participate in the meeting, by other communications medium;

if all directors participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A director who participates in a meeting in a manner contemplated by this Article 19.4 is deemed for all purposes of the *Business Corporations Act* and these Articles to be present at the meeting and to have agreed to participate in that manner.

- (2) the director or alternate director, as the case may be, has waived notice of the meeting.

19.8 Meeting Valid Despite Failure to Give Notice

The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any director or alternate director, does not invalidate any proceedings at that meeting.

19.9 Waiver of Notice of Meetings

Any director or alternate director may send to the Company a document signed by him or her waiving notice of any past, present or future meeting or meetings of the directors and may at any time withdraw that waiver with respect to meetings held after that withdrawal. After sending a waiver with respect to all future meetings and until that waiver is withdrawn, no notice of any meeting of the directors need be given to that director and, unless the director otherwise requires by notice in writing to the Company, to his or her alternate director, and all meetings of the directors so held are deemed not to be improperly called or constituted by reason of notice not having been given to such director or alternate director. Attendance of a director or alternate director at a meeting of directors is a waiver of notice of the meeting unless that director or alternate director attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

19.10 Quorum

The quorum necessary for the transaction of the business of the directors may be set by the directors and, if not so set, is deemed to be set at a majority of directors or, if the number of directors is set at one, is deemed to be set at one director, and that director may constitute a meeting.

19.11 Validity of Acts Where Appointment Defective

Subject to the *Business Corporations Act*, an act of a director or officer is not invalid merely because of an irregularity in the election or appointment or a defect in the qualification of that director or officer.

19.12 Consent Resolutions in Writing

A resolution of the directors or of any committee of the directors may be passed without a meeting:

- (1) in all cases, if each of the directors entitled to vote on the resolution consents to it in writing; or
- (2) in the case of a resolution to approve a contract or transaction in respect of which a director has disclosed that he or she has or may have a disclosable interest, if each of the other directors who have not made such a disclosure consents in writing to the resolution.

A consent in writing under this Article may be by signed document, fax, e-mail or any other method of transmitting legibly recorded messages. A consent in writing may be in two or more counterparts which together are deemed to constitute one consent in writing. A resolution of the directors or of any committee of the directors passed in accordance with this Article 19.12 is effective on the date stated in the consent in writing or on the latest date stated on any counterpart and is deemed to be a proceeding at a meeting of directors or of the committee of the directors and to be as valid and effective as if it had been passed at a meeting of the directors or of the committee of the directors that satisfies all the requirements of the *Business Corporations Act* and all the requirements of these Articles relating to meetings of the directors or of a committee of the directors.

Any person appointed as the chair of the board or as the managing director must be a director. Any other officer need not be a director.

21.4 Remuneration and Terms of Appointment

All appointments of officers are to be made on the terms and conditions and at the remuneration (whether by way of salary, fee, commission, participation in profits or otherwise) that the directors thinks fit and are subject to termination at the pleasure of the directors, and an officer may in addition to such remuneration be entitled to receive, after he or she ceases to hold such office or leaves the employment of the Company, a pension or gratuity.

22.4 Non-Compliance with *Business Corporations Act*

1.2 Choice of Law

The Plan is established under and the provisions of the Plan are to be interpreted and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

1.3 Headings

The headings used herein are for convenience only and are not to affect the interpretation of the Plan.

ARTICLE 2 PURPOSE AND PARTICIPATION

2.1 Purpose

The purpose of the Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Directors, Employees and Consultants, to reward such of those Directors, Employees and Consultants as may be awarded Options under the Plan by the Board from time to time for their contributions toward the long-term goals of the Company and to enable and encourage such Directors, Employees and Consultants to acquire Shares as long term investments.

2.2 Participation

The Board shall, from time to time, in its sole discretion determine those Directors, Employees and Consultants, if any, to whom Options are to be awarded. If the Board elects to award an Option to a Director, the Board shall, in its sole discretion but subject to paragraph 3.2, determine the number of Shares to be acquired on the exercise of such Option. A Director of the Company to whom an Option may be granted shall not participate in the decision of the Board to grant such Option. If the Board elects to award an Option to an Employee or Consultant, the number of Shares to be acquired on the exercise of such Option shall be determined by the Board in its sole discretion, and in so doing the Board may take into account the following criteria:

- (a) the remuneration paid to the Employee or Consultant as at the Award Date in relation to the total remuneration payable by the Company to all of its Employees and Consultants as at the Award Date;
- (b) the length of time that the Employee or Consultant has been employed or engaged by the Company;
- (c) the quality of work performed by the Employee or Consultant; and
- (d) any other factors which it may deem proper and relevant.

2.3 Notification of Award

Following the approval by the Board of the awarding of an Option, the Administrator shall notify the Option Holder in writing of the award and shall enclose with such notice the Option Certificate representing the Option so awarded.

2.4 Copy of Plan

Each Option Holder, concurrently with the notice of the award of the Option, shall be provided with a copy of the Plan, unless a copy has been previously provided to the Option Holder. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

2.5 Limitation

The Plan does not give any Option Holder that is a Director the right to serve or continue to serve as a Director of the Company nor does it give any Option Holder that is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company. Participation in the Plan by an Option Holder is voluntary.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

3.1 Board to Allot Shares

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof.

3.2 Number of Shares

The maximum number of Shares issuable under the Plan, together with the number of Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the issued and outstanding Shares of the Company. Additionally, subject to applicable Exchange rules and policies, the Company shall not grant Options:

- (a) to any one person in any 12-month period which could, when exercised, result in the issuance of Shares exceeding five percent (5%) of the issued and outstanding Shares of the Company unless the Company has obtained the requisite Disinterested Shareholder Approval to the grant; or
- (b) to any one Consultant in any 12-month period which could, when exercised, result in the issuance of Shares exceeding 2% of the issued and outstanding Shares of the Company; or
- (c) in any 12-month period, to persons employed or engaged by the Company to perform Investor Relations Activities which could, when exercised, result in the issuance of Shares exceeding, in aggregate, 2% of the issued and outstanding Shares of the Company.

If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of which Option expired or terminated shall again be available for the purposes of the Plan.

3.3 Exercise Price

The Exercise Price shall be that price per share, as determined by the Board in its sole discretion as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, and shall not be less than the Market Price, unless otherwise permitted by the Exchange, if applicable, or such other price as may be required by the Exchange and/or applicable laws. Any reduction in the exercise price of an Option held by an Option Holder who is an insider of the Company at the time of the proposed reduction will require Disinterested Shareholder Approval.

3.4 Term of Option

Subject to paragraph 3.5, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the tenth anniversary of the Award Date of the Option.

3.5 Termination of Option

An Option Holder may, subject to any vesting provisions applicable to Options hereunder, exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix a minimum or maximum number of Shares in respect of which an Option Holder may exercise part of any Option held by such Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. local time in Vancouver, British Columbia, on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Board at the time the Option is awarded and the date established, if applicable, in sub-paragraphs (a) to (c) below (the "Early Termination Date"):

(a) Death

In the event that the Option Holder should die while he or she is still a Director (if he or she holds his or her Option as Director) or Employee or Consultant (if he or she holds his or her Option as Employee or Consultant), the Early Termination Date shall be twelve (12) months from the date of death of the Option Holder; or

(b) Ceasing to Hold Office

In the event that the Option Holder holds his or her Option as Director of the Company and such Option Holder ceases to be a Director of the Company other than by reason of death, the Early Termination Date of the Option shall be the 60th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder ceases to be a Director of the Company but continues to be engaged by the Company as an Employee or a Consultant, in which case the Expiry Date shall remain unchanged, or unless the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in the *Business Corporations Act* (British Columbia), or
- (ii) a resolution having been passed by the shareholders of the Company pursuant to the *Business Corporations Act* (British Columbia) removing the Director as such, or
- (iii) by order of Industry Canada, the British Columbia Securities Commission, the Exchange or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be a Director of the Company.

(c) Ceasing to be an Employee or a Consultant

In the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Early Termination Date of the Option shall be the 60th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be an Employee or Consultant of the Company as a result of:

- (i) termination for cause or, in the case of a Consultant, breach of contract, or
- (ii) by order of Industry Canada, the British Columbia Securities Commission, the Exchange or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

(d) Breach of Anti-Money Laundering ("AML") Policy

Should an officer, employee or consultant breach any terms of the Company's AML policy, the Company has the option to cancel any and all options previously granted to such person, effective immediately with no notice provided.

(e) Cessation of Services

Should a director, officer, employee or consultant cease to provide expected services to the Company, sixty (60) days thereafter, the Company has the option to cancel any and all options previously granted to such person, with no notice required.

Notwithstanding the foregoing, the Early Termination Date for Options granted to any Option Holder engaged primarily to provide Investor Relations Activities shall be the 30th day following the date that the Option Holder ceases to be employed in such capacity, unless the Option Holder continues to be engaged by the Company as an Employee or Director, in which case the Early Termination Date shall be determined as set forth above.

3.6 Hold Period and Vesting Requirements

Shares issued upon exercise of an Option may be subject to a hold period and/or may bear a legend in accordance with applicable securities laws and/or Exchange requirements.

All Options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board.

The Option Certificate representing any such Option will disclose any vesting conditions.

3.7 Effect of a Take-Over Bid

If a *bona fide* offer (an “Offer”) for Shares is made to an Option Holder or to shareholders of the Company generally or to a class of shareholders which includes the Option Holder, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Option Holder of the full particulars of the Offer, whereupon all Shares subject to Options will become vested and the Options may be exercised in whole or in part by each Option Holder so as to permit each Option Holder to tender the Shares received upon exercise of his Options, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Shares acquired by the Option Holder on the exercise of his Option and tendered pursuant to the Offer are not taken up or paid for by the offeror in respect thereof;

then the Shares received upon the exercise of such Options, or in the case of clause (b) above, the Shares that are not taken up and paid for, may be returned by each Option Holder to the Company and reinstated as authorized but unissued Shares and with respect to such returned Shares, the Options shall be reinstated as if they had not been exercised and the terms upon which such Shares were to become vested pursuant to paragraph 3.6 shall be reinstated. If any Shares are returned to Company under this paragraph 3.7, the Company shall immediately refund the exercise price to the Option Holder for such Shares.

3.8 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised an Offer is made by an offeror, the Board may, upon notifying each Option Holder of full particulars of the Offer, declare vested all Shares issuable upon the exercise of Options granted under the Plan, and, notwithstanding paragraphs 3.4 and 3.5, declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer.

3.9 Effect of Reorganization, Amalgamation or Merger

If the Company is reorganized, amalgamated or merges with or into another Company, at the discretion of the Board, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Option Holder would have received upon such reorganization, amalgamation or merger if the Option Holder had exercised his Option immediately prior to the record date applicable to such reorganization, amalgamation or merger, and the exercise price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.

3.10 Effect of Change of Control

If a Change of Control occurs, all Shares subject to each outstanding Option will become vested, subject to any required approval of the Exchange, whereupon all Options may be exercised in whole or in part by the Option Holder.

3.11 Assignment of Options

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by paragraph 4.1, exercise the Option within the Exercise Period.

3.12 Adjustments

If, prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “**Event**”) other shares of the Company, an Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of any Option and accordingly, if as a result of the Event, an Option Holder would become entitled to a fractional Share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

3.13 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If an Option Holder retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Certificate with respect to the right to purchase Shares which were not vested at the time or which, if vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Option Holder.

ARTICLE 4 EXERCISE OF OPTION

4.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate, accompanied by cash payment, certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 Issue of Share Certificates

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares purchased pursuant to the exercise of the Option. If the number of Shares purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of Shares available under the Option.

4.3 Condition of Issue

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of the Exchange or any stock exchange on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and

agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully co-operate with the Company in complying with such laws, rules and regulations.

The Company or any subsidiary of the Company may take such steps as are considered necessary or appropriate for the withholding and/or remittance of any taxes which the Company or any subsidiary of the Company is required by any law or regulation of any governmental authority whatsoever to withhold and/or remit in connection with any Option or Option exercise including, without limiting the generality of the foregoing, the withholding and/or remitting of all or any portion of the payment or the withholding of the issue of Shares to be issued upon the exercise of any Option until such time as the Option Holder has paid the Company or any subsidiary of the Company (in addition to the exercise price payable for the exercise of Options) the amount which the Company or subsidiary of the Company reasonably determines is required to be withheld and/or remitted with respect to such taxes.

ARTICLE 5 ADMINISTRATION

5.1 Administration

The Plan shall be administered by the Administrator on the instructions of the Board. The Board may make, amend and repeal at any time and from time to time such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations shall form part of the Plan. The Board may delegate to the Administrator or any Director or Employee of the Company such administrative duties and powers as it may see fit.

5. Interpretation

The interpretation by the Board of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by it hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 Prospective Amendment

Notwithstanding the foregoing, the Board may, subject to the requirements of the Exchange, amend the terms upon which each Option shall become vested with respect to Shares without further approval of the Exchange, other regulatory bodies having authority over the Company, the Plan or the shareholders.

6.2 Retrospective Amendment

Subject to applicable regulatory and, if required by any relevant law, rule or regulation applicable to the Plan, to shareholder approval, the Board may from time to time retrospectively amend the Plan and, with the consent of the affected Option Holders, retrospectively amend the terms and conditions of any Options which have been previously granted.

6.3 Termination

The Board may terminate the Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination. Notwithstanding the termination of the Plan, the Company, Options awarded under the Plan, Option Holders and Shares issuable under Options awarded under the Plan shall continue to be governed by the provisions of the Plan.

6.4 Agreement

The Company and every person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of the Plan.

6.5 No Shareholder Rights

An Option Holder shall not have any rights as a shareholder of the Company with respect to any of the Shares covered by an Option until the Option Holder exercises such Option in accordance with the terms of the Plan and the issuance of the Shares by the Company.

6.6 Record Keeping

The Company shall maintain a register in which shall be recorded the name and address of each Option Holder, the number of Options granted to an Option Holder, the details thereof and the number of Options outstanding.
